Happy 2019! I hope you all had a wonderful holiday season. Mine was filled with a lot of relaxation and family time. Two of my favorite things!

I have a couple of SSC changes to let you know about.

First, I am going to change the delivery days to the 1st and 3rd **Tuesday** of each month. I am planning on doing my deliveries at the same times that I normally do. If Tuesdays do not work for you please let me know and it is no problem to work out another delivery day.

Secondly, after not having a price increase in over 8 years I am implementing some new pricing. The new prices still include tax and delivery.

New SSC pricing
6 meals will be \$45/month
12 meals will be \$84/month
